## SALES ASSISTANT – PART TIME - FIXED TERM SUMMER CONTRACT

TOAST designs clothes and homewares for modern living. We endeavour to create products that are unique – designed with great care, made of the best quality fabrics – and present them in simple but original and inspiring ways. We are known for our seasonal photography campaigns - which take us all over the world and continually expand our influences – as well as a consistent dedication to depth of thought in everything we do.

The emphasis within the TOAST workplace is on simplicity, originality, creativity and thoughtfulness. We work hard to communicate intelligently with the wider world (to assume intelligence in those we engage with) and strive against doing the obvious. We value serious thought in many broad fields – in art, literature, design, philosophy, travel, science... – as much as we do in fashion. Though our output may appear simple, it is always produced with great attention to detail.

You are a catalyst for TOAST's successes. To realize our ambitions we need you to share our interests and values, have an enthusiasm for TOAST itself, a deep knowledge and love of your own specialist area, and a wealth of life experience. With this common ground we can work together with clarity of thought, producing innovative ideas and always doing our very best for TOAST.

In return for your dedication, TOAST will offer a supportive and friendly working environment with flexible working hours and generous staff discounts. You will receive a comprehensive induction, including product and brand training, that helps to plant a deep understanding of TOAST that can be carried confidently through your work and into the outside world.
