

TOAST

PART TIME SUPERVISOR (16hrs/week) – KINGS ROAD

Established in West Wales in 1997 by Jessica and Jamie Seaton, TOAST has grown from loungewear and nightwear to become a unique lifestyle brand renowned for its thoughtful contemporary design and ability to reenergise traditional textiles. In 2015, Suzie de Rohan Willner joined the company and is leading the brand's recent turnaround in partnership with founders Jessica and Jamie Seaton. Over the past 24 months, TOAST has relocated the design team from Wales to London and appointed a talented team including a new Head of Design. This has allowed TOAST to maintain its individuality whilst improving design, quality and fit. Today, TOAST is a highly creative, forward looking company that strives to encourage a more thoughtful way of life, With a large online following at www.toa.st, 12 shops throughout the UK, offices in both London and Swansea and concessions in 11 John Lewis stores, TOAST plans to open further retail locations and is preparing to go international.

The emphasis within the TOAST workplace is on new values, thoughtfulness, simplicity, creativity and collaboration. We work hard to communicate intelligently with the wider world and strive against doing the obvious. We value serious thought in many broad fields – in art, literature, design, philosophy, travel, science – as much as we do in fashion. Though our output may appear simple, it is always produced with great attention to detail.

You are a catalyst for TOAST's successes. To realize our ambitions we need you to share our interests and values, have an enthusiasm for TOAST itself, a deep knowledge and love of your own specialist area, and a wealth of life experience. With this common ground we can work together with clarity of thought, producing innovative ideas and always doing our very best for TOAST.

In return for your dedication, TOAST will offer a supportive and friendly working environment with flexible working hours and generous staff discounts. You will receive a comprehensive induction; including product and brand training, that helps to plant a deep understanding of TOAST that can be carried confidently through your work and into the outside world.
